

CITY OF WORCESTER

Pursuant to a vote of the Committee on Public Service and Transportation, be it

ORDERED: That

The City Manager be and is hereby requested to with National Grid develop a standardized live time map that translates National Grid's work plans in a more user friendly format. This would allow advanced notification of what is happening within the city as to tree trimming management and infrastructure improvement and the city's administration can act as a conduit between National Grid and the community.
